

# Display Screen Rental Services

Rent Video walls of various dimensions, single display units and touch screens for your events – product showcase/exhibition, seminars etc.

## Video Walls

Videowalls are a powerful new way to break through the clutter and engage with your intended audience. Just tell us the dimension of Video Wall, we would get it sorted for you.

A 3x3 Video Wall

## Single Screens

Samsung pioneered LCD-based professional display and is now the market leader in ultra-thin, eco-friendly, LED-based display. Our complete solution includes a wide range of advanced LED display panels, robust management software, and media players to suit almost any need and budget.

A Single Screen LFD

## Touch Screens

Deliver rich content and interactivity with high-impact presentation solution.
